Office of the Commandant

March 1, 2007

Dear Parents, Family Members and Friends,

I am honored to extend an invitation for you to attend our graduation activities for the USMAPS Class of 2007. You should be very proud of the great accomplishments of your sons and daughters for reaching this significant milestone in their lives.

To help with your planning, we have enclosed the USMAPS graduation activities schedule, highlighting events and appropriate attire. If you have any questions about the schedule of events, please ask your Cadet Candidate or call his or her Tactical Officer for clarification.

The Staff and Faculty of USMAPS look forward to having you join us in celebrating your Cadet Candidate's graduation from the Prep School and admission to the United States Military Academy.

If you have any other questions or concerns that cannot be answered by your Cadet Candidate or the Battalion Tactical Department, please call my Operations Officer, MAJ Burger, or my secretary, Ms. Mary Lalley, at 732.532.5307 and they will be glad to assist you.
